

POWERPERKS® PROGRAM

Earn dollars by reducing energy.

Take advantage of AEP Energy's complimentary program, PowerPerks® with our Single Rate Plan. This program allows your business to earn money for using less power during periods of high demand. Plus, you'll be doing your part to help our electric grid's reliability. Participation is voluntary and without penalty, which means you choose when to participate and take advantage of earning dollars for reducing energy.

Program Features

- Exclusive to AEP Energy customers
- Runs June 1 - September 30
- Receive email notifications

Eligibility

- Available with Single Rate Plan¹
- Interval meter required

Benefits

- Complimentary program
- Earn \$500 per megawatt-hour of reduced energy
- No penalties if you cannot participate during an event
- Receive bill credit in December
- Subject to data verification testing

LEARN MORE | Contact your sales representative or call 866-258-3782 to discuss how your business might benefit from this plan. [AEPenergy.com/powerperks](https://www.aepenergy.com/powerperks)
